ORDER

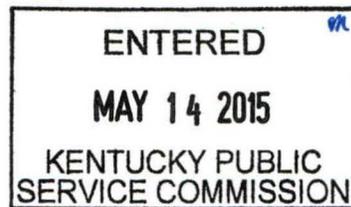

On April 6, 2015, Grayson Rural Electric Cooperative Corporation ("Grayson") tendered a formal complaint to the Commission alleging that Kentucky Power Company ("Kentucky Power") is in violation of the territorial boundary act, KRS 278.018(1), by providing electric service to 11 residences in Grayson's territory in the Valley View Subdivision, Carter County, Kentucky. On April 24, 2015, the Commission issued an Order directing Kentucky Power to either satisfy the complaint or answer the allegations. On May 4, 2015, Kentucky Power filed its Answer denying any violation of KRS 278.018(1), asserting that the complaint fails to state a prima facie case due to Grayson's failure to present a survey or any other evidence sufficient to demonstrate that the 11 residences are within Grayson's territory, and requesting that the Commission dismiss Grayson's complaint for failure to state a claim for which relief can be granted by the Commission.

Based on a review of Grayson's complaint and Kentucky Power's answer, the Commission finds that Grayson should file within 14 days of the date of this Order a

copy of the official territorial boundary map and any other maps and surveys sufficient to support its claim that the 11 residences in the Valley View Subdivision are within Grayson's territory.

IT IS THEREFORE ORDERED that Grayson shall file within 14 days of the date of this Order a survey and supporting evidence, including a copy of the official territorial boundary map, to support its claim that the 11 residences in the Valley View Subdivision are within Grayson's territory.

By the Commission
